

## Douglas West Wind Farm | Amendments to Consented Scheme Public Exhibition | Local Suppliers Form

Thank you for attending today's pre-application public consultation event. Renewable energy developments bring excellent opportunities for local businesses. Local skills can be employed during the construction, operation and decommissioning of a project, bringing substantial benefits for the local economy. We would like to hear from any local businesses who could supply or service our project if we are successful in obtaining planning permission.

As a Clydesdale business, 3R Energy is fully committed to using local contractors and services wherever possible to maximise the benefits to the local economy. Services of particular interest to us include:

Accommodation	Ready mixed concrete
Earthmoving	Security
Cabling	Plant hire
Joinery	Haulage
Plumbing	Landscaping
Steel fixing	Civil engineering and consultancy
Catering	Electrical engineering and contracting
Temporary signage	Surveying
Quarry products	Fencing

If your company offers any goods or services that you feel may be able to contribute we would be pleased to hear from you.
