

PUBLIC CONSULTATION NOTICE

Hagshaw Energy Cluster - Western Expansion | Phase 1

3R Energy (on behalf of Spirebush Ltd) is hosting an additional public consultation event into proposals to submit an application to the Scottish Ministers for Consent under Section 36 of The Electricity Act 1989, to construct and operate the Hagshaw Energy Cluster - Western Expansion | Phase 1. The site adjoins an established cluster of wind farms at Dungavel Hill in rural South Lanarkshire and extends southwards towards the village of Muirkirk in East Ayrshire.

The proposed development will comprise the installation of around 18 wind turbines, an area of solar panels, a substation, energy storage facilities and associated infrastructure. The mixed renewable energy development would have a total generating capacity of approximately 415 megawatts (MW).

We are holding an additional public consultation event to provide updated details of the proposed development, the progress to date and the next steps, as well as to seek the views of the local communities and to answer any questions you may have. The principal change from earlier public consultation events we are looking to consult upon is the inclusion of a revised abnormal load transport route option utilising the A71 through Strathaven from Junction 8 of the M74 motorway. The date, time and venue of the event is outlined below:

Date: **Wednesday 26 February 2025**
Time: **2pm to 7pm**
Venue: **Strathaven Hotel, Hamilton Road, Strathaven, ML10 6SZ**

Written comments can be made on the feedback forms available on the day, on the website below, separately in writing to 3R Energy at the postal address below or submitted directly by email to:

info@3renergy.co.uk

All comments should be submitted to 3R Energy within 2 weeks of the public consultation event, no later than 12 March 2025. Please note that any comments made are not representations to the Scottish Ministers. Once the Section 36 Consent application is submitted there will be an opportunity to make direct representations to the Scottish Ministers at that time.

All exhibition material will be available to view on the project website below, from the 24 February 2025.

Address: 3R Energy, Lanark Auction Market, Hyndford Road, Lanark, ML11 9AX

Telephone: 01555 660 244
